## BAPTIST CHURCH

***Are you willing to GROW for Christ?  
If so, come and join Parksville  
Baptist efforts to help the church to  
grow on Tuesday nights at 6:30pm.***

This whole world needs a group of people who are willing to pour their lives into the building of a great lighthouse for Jesus. The whole world desperately needs the church to be passionate about an outreach program. Up and down every street every town are those who are lost, families and friends and neighbors and acquaintances and fellow citizens in the communities where we ourselves are rearing our children and building our families. God Himself knew of our desperate need inasmuch that he sent his only Son to teach us the way of life,

to die for our sins according to the Scripture, and to go before us in the evangelization of the whole world. I am fortunate and blessed to be a Pastor of the church that follows the leadership of the pastor.

The GROW program is a channel so that you can pour your soul into outreach. You can be the first to be astonished at the heavenly reward and the blessings of the Lord God upon you. The GROW outreach meets every Tuesday night to do a number of things like, write letters, make visits to prospects

or hospital and you can even call people who have concerns. You only have to commit to coming once a month for outreach, that's only 13 hours a year. Please pick what group you would like to go out with and give them a call or let them know at church. Here are the Captains for each team.

### ***Vacation Bible School —“Hero Headquarters”***

**Children: 3-11years old:**

Come and meet Maintenance Mac, Water Woman, and Pizza Man who will help you learn to be a hero for God. Children will participate in large-group music, drama, and fun where kids will be introduced to some unnamed, yet amazing heroes from the Bible. Each day Maintenance Mac will

challenge Water Woman, Pizza Man and the children to join forces with God! The challenges will help kids do the unexpected, take action, step out on faith, save the day, and stand for truth! Hey, kids, Mac, Water Woman and Pizza Man are waiting! Don't miss this exciting, challenging, super fun VBS program!

### Children's Corner:

Our children's church continues to go well. The kids really seem to enjoy learning and making crafts. The kids and families had a great time at the fishing tournament in May. There will be plans to do it again next year. We are all looking forward to VBS June 21-25. We are learning about the unknown heroes that nobody talks about. The week will end with a fun night for all. The fun, food, and fellowship will begin at 6:00. Hope to see you there. There will be more details later on a Back to School bash August 13th 6-8pm—a swimming party at Anderson Dean Park in Harrodsburg. Sounds like a lot of fun! Have a great summer!
